

## Celebrating 90th Anniversary

This year marks our 90th Anniversary of service to our community.

To date we have over 35,500 souls in our care at Puritan Lawn. These are beloved parents, grandparents, great grandparents, brothers, sisters, children, aunts, uncles and friends.

*Those we love don't go away, they walk beside us every day. Always in our thoughts, forever in our hearts. Sweet are the memories that never fade. Their life a beautiful memory, their absence a silent grief.*

### Directors Thoughts

It gives us great pleasure to see lot owners and others enjoying the park by walking, jogging and taking in the natural beauty. It has been a goal since Puritan's inception in 1933, that the park is for the living. The care and protection of you, your loved ones, and your final resting place is a primary task for all who are involved at Puritan Lawn. We will continue to have a beautiful, safe and secure place of peace for you and your family.

### Educational Foundation

Since 1999, we have helped over 100 kids with over \$266,000 in scholarship money. Candidates considered for the Foundation's annual awards include those students who may not have performed to their potential due to circumstances beyond their control. If you are interested in applying for the scholarship program or making a tax deductible contribution to the foundation, contact [edfoundation@puritanlawn.com](mailto:edfoundation@puritanlawn.com).

### Fall Reminders:

- Flower vases should not be used after Nov. 26th to prevent freezing.
- Candlelight Service this year will be held Sunday, Dec. 3rd @ 4pm
- Please only park vehicles on the pavement when visiting
- You may place ornaments on the Christmas tree beginning 12/1. Any ornaments you want to keep should be retrieved by Jan. 7th.

We encourage families to own Cemetery property, not to use it. *Author unknown*

## Join us at the Holiday Candlelight Service Sunday, Dec. 3rd at 4:15 pm.

We had a wonderful turnout last year. Our entertainment will include acapella singing by the Masconomet Chorale & Chamber Choir led by Brian O'Cock as well as selected readings by lot owners and staff.

Last year we developed some new community partnerships and a few new additions to the service **including a fire pit to assist with a sky-lantern release to commemorate all our loved ones no longer with us.** Come see what this year brings.

We welcome everyone to attend this free family event. Donations raised during the event will support **"Gina's Giving Back"**, which provides over 1,000 local families in need with holiday meals. You may also bring shelf-stable foods to donate.

Visit our Facebook page or our website to find the latest information regarding the event.

**P**lan Ahead families make up over 90% of Puritan Lawn services in the past 90 years. Families had the foresight to plan-ahead so loved ones were not burdened at a difficult time. Our 1933 charter instructs us to encourage families to find out if **Planning Ahead** would benefit them and if so, provide programs that are meaningful and affordable for them.

As always, the information is yours to have, and the decision is yours to make. Our most dependable source of new families is from your referrals. If **Planning Ahead** makes sense to you, please pass our information along to your family and friends.

*Planning ahead makes the day of a passing just a little easier for Our Loved Ones.*

**P**ark developments continue each year. Much of our focus has been on creating cremation spaces to accommodate the ever increasing interest in cremation.

**W**e also have new waterfront areas that will accommodate traditional burial or cremation. Dickenson and Whitman continue to have new families reserving space. Fall is a beautiful time to view the area.
