

Since 1933, over 90% of services at Puritan Lawn were by families that planned in advance. We provide information and you decide if planning ahead is right for you and your family. Our Office is staffed Monday - Saturday by family services representatives. Stop by and they will answer any questions you have and give you a Park Tour if desired.

In the U.S., cremation has become the most chosen option by families. The increased popularity can be attributed to simplicity, flexibility, and in many cases cost. At Puritan Lawn, outdoor niches are a very popular option for individuals choosing cremation. In May, we will be installing 678 units at several locations throughout the park. This will enable current generations to be near past generations of family in the park. To arrange a tour of the new niches, reach out to a family service representative.

Cremation Facts you may not know:

- ◆ In MA, Funeral Homes can not own or operate cremation facilities.
- ◆ All crematories must be on cemetery grounds with a minimum of 10 acres.
- ◆ Puritan Lawn has operated their cremation facility for over 20 years.
- ◆ Our Pre-need Cremation is only \$625.

Traditional Burial

Cremation Arrangements

Please Save the Date for our Memorial Day Service, Sunday May 25th 11am

Visit the park 7 days a week. Our main office is open 6 days a week to serve families and visitors alike. The park is home to nesting eagles, rabbit, woodchuck, deer, and other wildlife attracted to the area's natural habitat. Walkers, joggers, photographers, and even painters frequently take advantage of the Park's open space and scenic beauty. In contrast to traditional cemeteries, Puritan Lawn has individual memorials so the natural beauty of the landscape and active wildlife in the area remain uninterrupted.

Grave flags will be available during weekend visitation for a \$5 donation. All proceeds will be donated to Citizens Inn, which supports Homelessness and Hunger relief programs in our area.

The Preserve Section

This new area became available for selections last year. With an abundance of available space, this is a great opportunity for family members to reserve and ***select adjacent spaces together.*** Come by and take a look.

Plan-Ahead Seminars will be held Thursday **April 17th and May 15th.** The seminar is intended for families to comfortably learn what's involved with planning ahead and how it can benefit their family. Light appetizers and beverages will be provided. There is no charge to attend and no obligation to move forward with plan-ahead arrangements. **Seminars begin at 5:30pm.**
