

Plan Ahead group seminars are an easy, commitment free way to ask questions about arrangements and family planning in a relaxed setting. Seminar will include cremation and traditional burial arrangement information. When we plan ahead, we protect the ones we love on a day they will need it most. Follow QR code to register on our website or e-mail us if you would like to attend our next seminar.

Our office is staffed Mon. - Sat. We welcome visitors to the park and our staff is here to help in any way they can with visitation, service requests, or plan-ahead program information.

We recently added staff to serve and assist our Puritan Lawn families. For families looking to add space to their memorial estate or for those that have not planned ahead yet, we have special lot savings programs with 0% payments available. Current staff includes:

Chris DePiero, over 8 years of service.

Nathan Nye, over 6 years of service.

Emma Kelly, new addition this year.

Fall is a great time to visit the park. As always, all are welcome from sun-up to sun-down to enjoy the natural beauty, solitude, and safety of the Park.

Fall Reminders:

- Flower vases should not be used after Nov. 24th to prevent freezing.
- Candlelight Service this year will be held Sunday, Dec. 13th @ 4:15pm
- Please only park vehicles on the pavement when visiting
- You may place ornaments on the Christmas tree beginning 11/29. Any ornaments you want to keep should be retrieved by Jan. 10th.

Puritan Lawn Memorial Park
Plan-Ahead Programs Since 1933

Join us at the Holiday Candlelight Service Sunday, Dec. 13th @4:15 pm.

Our entertainment will include singing by the Beverly High School Choir as well as selected readings by lot owners and staff.

We welcome everyone to attend this free family event. Donations raised during the event will support “**Gina’s Giving Back**”, which provides over 1,000 local families in need with holiday meals. You may also bring shelf-stable foods to donate. Visit our Facebook page or website to find the latest information regarding the event.

Employment Opportunities! Who better to fill positions serving our families than family members or friends of the families we serve. **Send an inquiry or resume to Job@puritanlawn.com**

- ◆ Grounds maintenance tree/turf care, service requests, pouring concrete vaults/bases.
- ◆ New section development including hard-scape/paver installations.
- ◆ Interment & memorial installations.
- ◆ Building & Equipment maintenance.
- ◆ Family Service representative: coordinate interments and serve as liaison to all our families (plan-ahead & immediate need).

New Family Unity Program

- ◆ Move your unoccupied lot at not charge to an area with availability.
- ◆ Family may arrange adjacent lots with 0% payments for up to 3 years.

Family Unity is important to many of us. We often receive requests to find space nearby to loved ones and sometimes we do not have nearby availability. In response to these requests, the Directors continue a program which enables current owners to exchange an unoccupied lot for a lot in an area with adjacent space availability. This enables family members to arrange lots adjacent to you. Through year-end, all lot transfer fees will be waived.

PRICE INCREASE Notice

As promised, we do our best to notify families of any upcoming price increases.

This enables our **Lot Owners** to review and arrange any products and services needed as economically as possible.

Now may be a good opportunity for any **Family Members** that eventually plan to be nearby, to consider starting their plan-ahead program **before the increase in 2027.**

Jimmy Dean

Several niche units have been added to the Hawthorne area. We have four additional units that will be installed soon.

We added over 100 lots in the center of our beautiful Cathedral Pines section.

Families may also memorialize loved ones in our elegant Glass Front Niches.
