Lot Owners with Unoccupied Lots

If your family members are interested in nearby lots and the area you own has limited availability, the Directors have approved a program to move your currently owned lot (s) to areas with availability at no charge.

This ensures your family will be together.

Lot Owner Records Review

- Now may be a good time to review your program and arrange remaining products and services before our 2027 price increase.

Not a Lot Owner yet?

- Next year, our 1st price increase in several years will be effective. Now may be a good time to consider planning ahead.
- Typically payments terms over 6 months incur interest. Through year-end, **you may arrange a Lot or a complete plan-ahead program for two persons with NO INTEREST FOR 3 YEARS.** For your convenience, families may choose to make auto-payments through their bank account.
