Welcome to 2022! We are hopeful that this year will be better than the last two, and we are encouraged to start things off with in-person events.

This year's Memorial Day Service will include a few words from our State

**Please Save the Date:

Senator Joan Lovely and Veterans Services Director, Steve Patten. As in previous years, we will host the Lynn English ROTC Color Guard, under the supervision of Sgt. Major Oswald. They will perform an armed exhibition.

We invite you and your families to attend and honor our Veterans. Details will be solidified as we get closer to May, and will be updated on our website and Facebook page.

Flags will be available for purchase over the weekend with 100% of proceeds supporting the Peabody Municipal Veterans Assistance Fund, a fund that assists local Veterans in need. Please also consider a donation to support our Veterans!

Cremation Options For All Budgets

Did you know that Puritan Lawn has affordable interment options for families interested in cremation? Whether you prefer glass front niches (pictured), in-ground burial, or above ground niches, we have options for every budget.

Permanent memorialization is a nice way to remember and be remembered. We like to think of cemeteries as places for those left behind to visit, reflect and remember the time shared with our loved ones.

Would you be interested in attending a free Grief Support Group? Just before the pandemic began we had some successful groups which we would like to restart soon. All are welcome. You do not need to have a loved one buried at Puritan Lawn to join the group.

We are also hosting plan-ahead seminars for families to comfortably learn what's involved.
